Dispute

Work description.

- Addressed miscellaneous surveying issues on the project related to OBG (bikepath) and cable works.

Attachment

Bikepath and W-Line backspan catwalk work in progress seen from elevation 145m of the T1 erection tower.

Practice of installing of the welded threaded studs prior to actually performing the work on the cantilevered bikepath brackets.

Observed gaps between the cantilevered bracket and the bikepath panel sections prior to the threaded studs being welded onto the bracket.

The Favco crane lifting a bikepath panel and positioning onto the E-Line OBG deck section.
